

AMAZON CHIME

COMMUNICATION AS A SERVICE

Working together, simplified

AMAZON CHIME IS A COMMUNICATIONS SERVICE THAT LETS YOU MEET, CHAT, AND PLACE BUSINESS CALLS INSIDE AND OUTSIDE YOUR ORGANIZATION, ALL USING A SINGLE APPLICATION.

WHY AMAZON CHIME ?

CHOOSE HOW YOU COMMUNICATE

Amazon Chime lets you choose the communication options that are best suited for your business. You have the option to choose from meetings, chat, and business calling or use Voice Connector to direct your voice traffic over the internet.

USE ONE APP FOR ALL YOUR COMMUNICATION

Amazon Chime lets you meet, chat, and place business phone calls with a single, secure application. You don't need to switch between applications to collaborate and can instantly go from a chat to a call, share your screen, and even invite more people to join your meeting.

PAY ONLY FOR WHAT YOU USE

Amazon Chime offers pay-per-use pricing which lets you pay for features you use, on the days that you use them. With pay-per-use pricing there's no upfront investment or long-term contracts.
